

LEEDS COMMUNITY ALERT:

VOTE NO ON THE WASTEFUL GOVERNMENT-OWNED BROADBAND NETWORK

YOUR TAX DOLLARS being
spent on an unnecessary
government-owned
broadband network
will mean less money
available for the investments
Leeds ACTUALLY needs.

DON'T BE FOOLED!

VOTE NO at the
Leeds Town Meeting on
Wednesday, November 10!

7 PM at the Leeds Town Office
8 Community Drive, Leeds, Maine

Paid for by Maine Civic Action
PO Box 7342 Portland, Maine 04112

**A GOVERNMENT-OWNED
NETWORK IS A
BAD INVESTMENT
FOR LEEDS!**

**HERE'S WHAT YOU NEED TO KNOW
ABOUT THE IMPACT OF LEEDS
OWNING A BROADBAND NETWORK:**

- Limited Reach
- Questionable Service
- Fewer Resources to Deliver Important Town/Community Services
- Higher Taxes

Leeds has some of the lowest property taxes in the area - and already has access to reliable broadband service.

Your tax money should go toward real local needs, like updating the roads on Route 106 and 133, not toward an unnecessary broadband network.

IT'S YOUR CHOICE.

**VOTE NO AT THE LEEDS
TOWN MEETING ON
WEDNESDAY, NOVEMBER 10.**

**7 PM at the Leeds Town Office
8 Community Drive, Leeds, Maine**
